I was a BBB Member, the BBB is nothing more than a shakedown outfit

I started a business here in Long Beach, and wanted to believe that the BBB only accepted ETHICAL businesses and held its members to high standards. BOY WAS I WRONG!

the BBB is nothing more than a shakedown outfit. The REAL LOSERS are the consumers who blindly believe the BBB is looking out for them and ALSO the ETHICAL businessmen who believe the same thing. I was of the opinion that the BBB's role was to weed out and police the business community in our city. WRONG WRONG WRONG! It is there only to generate income for themselves and to protect UNETHICAL businesses who sign up. I had an acquaintance who stated that he ALWAYS joined the BBB because it gave an air or legitimacy to his business - Even though he had the morals of a horny tomcat!

Thanks for turning on the light!
