

get it? Thanks, that will save me alot of time addressing emails.'

end of email. :::::~::~

Now, you tell me, he's full of it. I did not come to them last week but for several weeks. He did not put a 'Hot Line' complaint against Washington DC, above is exactly what he did, nothing. And if I had evidence crap, all the moron has to do is look in his data base himself. He definetly is covering this scam. I sent him a reply and told him just look, the evidence is right there is front of you. We will see who's laughing tomorrow, when I see the Attorney General of Maryland.
