I check out Ameraco with the BBB report and yes, it all sounded good But I found out information about the BBB that wasn't encouraging. The BBB use to be a very reliable source to check out companies...not anymore !!! Ameraco sounded great and the BBB had no problems with them but I feel ameraco had some underling deception that the BBB never knew about. Oh, I did spend the 495.00 for the program 8 months ago...I work hard and submitted properties and how much money I made during those 8 months....0.00 dollars !!! It's not as easy as they say.....BEWARE !!!
