OUR RECOMMENDATIONS ARE AS FOLLOWS:	GA. REG. CR-006827	CHARGE
Upon Arrival Had consultation w/ customer customer states:		29.95
When unit starts up 2 burners light up & 2 burners don't. customer has taken unit apart in order to do diagnostic on unit will need to put unit back together. customer insist the problem is the sensor & wants part replaced. Explained to customer I can't guarantee the sensor is problem. customer declined f.a.t.h.e.r service at this time		

Your system is not operating correctly. Operation of your system "as is" may result in permanent damage and /or increased utility bills.

We have found carbon monoxide/gas leaks in your system. Operation of your system "as is" could be dangerous.

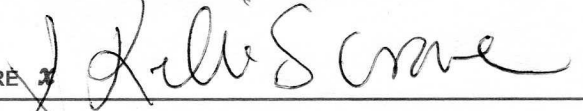

A I agree to hold this Company harmless for the failure of the above outlined work. This Company does not believe that the customer is best served by performing the above work on the system; rather replacement is our strong recommendation.

SIGNATURE

1 I have authority to order the work outlined above. I have been informed of the additional charges for the work listed on this invoice. I agree to pay these additional charges immediately upon receipt of this invoice. These additional charges do not cover unforeseen parts and labor, which may be needed after the work begins. We are not always 100% positive that the work outlined above will remedy the problem or that this is the only problem with your system. Customer understands and agrees that if the work outlined above does not completely cure the problem, no refunds are allowed and additional costs will apply. Due to the nature of this type of work, unintended damage may occur. I understand and agree that this Company shall not be liable for incidental or consequential damages resulting from the performance of the work. Incidental and consequential damages include but are not limited to such things as: *damage to ceilings, carpet, rugs, driveways, landscape, ladders, walls and furnishings.* I will take necessary precautions to protect my property from damage by this Company. I agree to indemnify this Company from third party claims. Any permits or existing code violations will be at an additional expense to the customer. Customer understands the price listed here is a "flat rate" price for the work outlined above. This "flat rate" price includes the part cost (if any), plus labor and mark-up. Customer agrees that all sales are final and no refunds are allowed. Customer agrees that any and all disputes, disagreements and/or claims between the parties will be resolved through binding arbitration, in accordance with "Mechanic's Terms and Conditions of Service Agreement" which can be found online at MechanicsAir.com. Customer agrees to be bound by all terms, policies, rules, notices, and provisions of Mechanic's online "Mechanic's Terms and Conditions of Service Agreement" located at MechanicsAir.com. I agree I have read the "Mechanic's Terms and Conditions of Service Agreement" online, or have received and read a printed copy of the same provided to me by my technician, prior to signing below. This is the entire agreement. The parties are not bound by any oral expression, promise, commitment or representation that is not set forth on this invoice or in the online "Mechanic's Terms and Conditions of Service Agreement" located at MechanicsAir.com.

APPROVAL SIGNATURE  Additional Charges \$ 29.95

2 The work outlined above has been satisfactorily completed. I agree that the Company may telephone me, even if my number is found on a do not call registry or list. If refrigerant was added to system and refrigerant leaks out, I agree the Company will have to return at an additional cost to find and repair leaks. Warranty is void if another entity or person or company works on system or warranted items during warranty period. Return Check Fee \$35.00.
